RE: HENDERSON, William
Case No. 07-00549-003

**REQUEST FOR MODIFICATION TO CONDITIONS
OF SUPERVISION**

Dear Judge Walls:

On April 13, 2009, Your Honor sentenced William Henderson after his conviction for Possession of Cocaine Base (21 U.S.C. 844 (a)) to time served (25 months) and two years supervised release with the following special conditions: DNA testing, drug testing/treatment, a \$100 special assessment and a \$1,000 fine. Henderson was released from custody on the day of sentencing. At this time, we are requesting a modification to conditions of supervision due to the offender's unstable residence.

The offender was released from the Essex County Jail where he served 25 months. He was not given the opportunity for placement at the Residential Re-Entry Center (RRC) prior to his release. At the time of the offender's release, he advised our office that he was homeless, but had a temporary place to reside in Newark with a friend. The offender is 65 years old, suffers from high blood pressure and diabetes. He has no income or medical coverage. In light of these factors, we recommended to Mr. Henderson placement at the RRC (half-way house) for six months. This will provide a stable residence and allow the offender to utilize the resources provided by the RRC staff.

Mr. Henderson waived his right to a hearing and has accepted a modification to his conditions of supervision to include placement in a Residential Re-Entry Center (RRC) for a period of six (6) months.

We have attached the Form 49 and the Probation Form 12B for your review and approval. If you have any questions, please feel free to contact the undersigned officer at (973) 645-4692.

Respectfully submitted,

CHRISTOPHER MALONEY, Chief
